ADAM MADI

DJ / PRODUCER / EVENT CREATOR

HOUSE • TECHNO • CIRCUIT • AFRO HOUSE • TRIBAL

ONE ARTIST. EVERY ENERGY.

With over a decade behind the decks, Adam Madi moves across house, techno, circuit, Afro house and tribal, shaping each set around the crowd and the moment.

His roots in tech house, Afro house and Top 40 remixes bring groove and familiarity to prime-time dance floors. From vocal-led openings to deeper, driving late-night sets, he knows when to build and when to lift the room.

Palestinian-Lebanese, Adam draws on Arabic and Latin influences. He is also the founder of AMSA Habibi Party, bringing an event producer's understanding of pacing and atmosphere to the booth.
